1. Purpose

The purpose of this policy and guidelines is to establish rules and requirements for corporate travel on behalf of NFM Group and all its subsidiaries worldwide (all referred to hereinafter as “NFM”).

2. Scope

This policy applies to all NFM employees and any individuals under contract with NFM, in positions requiring them to travel (referred to hereinafter as the “Traveller”).

This policy shall be implemented on a worldwide basis and is consistent for all business units in all countries' authority or travel destinations.

Please ensure you are following guidelines applicable to you based on your workplace location.

You find annexes for:

Annex A, BU Norway (All Norwegian employees)
Annex B, BU Poland (NFM Poland and NFM Bulgaria)
Annex C, BU Germany
Annex D, BU France
Annex E, BU US

3. Definitions

- A. The TMC is one of the Travel Management Companies preferred by NFM;
- B. Home workplace is the location where the Traveler conducts most of his work for NFM;
- C. The approving person is the decision maker authorizing regular and extraneous travel expenses. Generally, this person will be the direct manager who is one level above the Traveler. Specific authorization guidelines may be issued before the Traveler books a trip.

4. General Expectations and Requirements

NFM work may be done from the employee's or contractor's workplace, or any other location as needed, including visits to customers, suppliers, or contractors.

Business travels on NFM's behalf, may sometimes require the Traveler to travel outside regular office hours, and outside the regular workplace. NFM will support Travelers in reasonable comfort enabling them to work effectively away from home.

Travelers are requested to seek the most cost-effective means of travel during each corporate trip, to control costs while traveling, and to treat their travel budgets as they would their funds. The traveler is also requested to consider the environment when on travel and use public communication such as train, subway, bus, and so on whenever this is suitable considering time and cost. Travelers should aim to book trips as early as possible to benefit from lower prices.

Every business trip requires advance approval from the direct manager.
The quantity of travelers for the same purpose must be justified.

This policy establishes three components required for reimbursement of business-related expenses:

- The expense must be considered an allowable business expense according to these guidelines.
- There must be a receipt for every expense.
- The expense must be submitted and approved as part of an expense report.

4.1. Travel Approval System:

Each NFM office or subsidiary may implement a web-based system for travel approval and accounting processes.

Web-based systems are currently implemented in:

- Employees of Norwegian companies – simplyer.no (obligatory)
- Employees of Polish companies – Delegowany.pl (obligatory)
- Employees of Bulgaria – request for travel, official travel order on paper
- Employees of the German company Hexonia - by individual agreement

-
- Employees of NFM US – by individual agreement
 - Employees of BU France - JeFacture
 - B2B consultants – by individual agreement.

5. Responsibilities

5.1. Approvers

All BUs shall have a dedicated approver for each employer. For example, a direct manager. The BU leaders and leaders of legal entities in Nor Division bear ultimate responsibility for their BU/ company's travel budget and policy compliance.

5.2. Travelers

Travelers are responsible for:

- Coordinate with their approver before each business trip.
- Checking the validity of their passport before making business travel arrangements.
 - NB. Most countries require that the passport be valid for a minimum of 6 months before the travel date.
- Checking with the TMC or independently if the business travel destination requires a visa arranged in advance. Visa costs will be covered by NFM.
- Discuss any requirements for advance payment or necessary expenses that are deemed non-reimbursable according to this policy before traveling.
- If the Traveler requires an advance payment in foreign currency, he/she is requested to make a withdrawal from an ATM.
- It is the Traveler's responsibility to immediately inform the TMC, their approver or the office in case cancellations are required. Failure to do so may result in Traveler being made responsible for cancellation fees.
- The Traveler is required to file a travel expense report within 14 days of their return to the office. (
- The Traveler should remember that during every business trip, he/she is representing NFM and should adhere to these guidelines as well as NFM's corporate Code of Conduct. Whenever in doubt, the Traveler should contact the direct manager.
- The traveler should book flights and accommodation two weeks in advance whenever possible.

5.3. Travel Management Companies ("TMCs")

- TMC is recommended when booking longer international or intercontinental trips.
- The TMCs are responsible for suggesting the most cost-effective ways of reaching the business trip destination and providing adequate information to the Traveler on time.
- The TMCs are also responsible for informing the Traveler of any advance visa requirements and arranging them if possible (note that visas requiring personal applications, e.g. to the USA, cannot be organized by TMC).

- The TMCs will provide the Traveler with all reservation documentation required to complete the business trip.
- The TMCs will arrange for any booking cancellations or changes – if informed as soon as possible by the Traveler.

For NFM's designated Travel Management Companies see individual annexes.

5.4. Finance Department

The finance department is responsible for all approved advance payments and timely cost reimbursement.

6. Policy Guidelines

6.1. Means of Transportation

<i>Means of transport</i>	<i>Standard assumptions</i>
Domestic flights	Economy
European flights	Economy
Intercontinental flights	Economy
Private cars	By rate per km according to the country the Traveler live in
Car rental abroad	Economy (usually described as class C or medium size)
Train travel	Economy/2 nd class for up to 2.5 hours 1 st class for over 2.5 hours.
Taxi	Urban and suburban precincts of up to 50 km radius.

6.1.1. Air Travel

Class of Service: All NFM Travelers are expected to fly economy class utilizing the lowest logical airfare. In case of traveling with low-cost airlines priority boarding, preferred seating and fast track will be covered by NFM

Frequent Flyer Programs: Travelers may retain frequent flyer program mileage and benefits. However, participation in these programs should not influence flight selection, any routing or air carrier selection made to enhance Traveler's frequent flyer mileage when less expensive appropriate alternatives are available is prohibited.

- Airline club membership fees are not reimbursed.
- Travelers from Norwegian companies are not allowed to utilize the points for personal use in private Frequent Flyer programs while flying on behalf of NFM.

Air Travel Related Expenses:

In-flight Wi-Fi is not reimbursable.

Travelers are requested to fly with hand luggage only if possible.

Overnight Delays:

Should an airline delay in flight necessitate an overnight stay, the Traveler is required to attempt obtaining complimentary accommodation from the airline. When this is not possible, the Traveler should contact the TMC or NFM Reception to assist in providing accommodation or find a hotel nearby with the lowest cost.

6.1.2. Car Rental

Class of Service: Travelers shall rent an intermediate-size car (C Class) or smaller. If three or more NFM Travelers choose to share a car, the renter may upgrade to a full-size car. A list of Travelers must be submitted with the expense report.

Insurance: Loss Damage Waiver (LDW) and Collision Damage Waiver (CDW) must be accepted when renting a car.

Car Rental Related Expenses:

Travelers are to decline all fuel option purchases and return the car with a full tank of gas.

Fuel, parking, and toll charges will be reimbursed by NFM.

Travelers are personally responsible for any fines or license endorsements during the car hire period including speeding or parking tickets.

6.1.3. Personal Vehicle Usage and expenses

A traveler's use of his / her vehicle for business purposes requires advance direct manager approval.

Travelers are personally responsible for any fines or license endorsements incurred while using their car for NFM purposes including speeding or parking tickets.

The costs of parking fees and tolls will be refunded by NFM.

The Traveler has the sole responsibility for properly insuring his/her vehicle against damage incurred while on legitimate NFM business.

6.1.4. Use of Taxi Service:

In cities with well-organized public transport, standard travel within city limits should be with public transport whenever possible.

Travelers are requested to limit taxi travel unless it is essential or financially viable. The daily expense for utilizing a taxi must not exceed the cost of a car rental. Chauffeur or taxi service should only be used when there is a valid business reason. Apps for taxi services shall be used if possible. Examples of Taxi apps: are Uber and Taxi Fix. These can be downloaded on Android and Apple products and often cost less than standard taxi companies.

When traveling with clients, arrangements should be made as preferred by the client.

The mode of transportation to the airport or train station should be chosen based on the cost of airport parking vs. the cost of a taxi trip to the airport or station.

6.2. Hotel Accommodation:

6.2.1. Accommodation Selection and Rate Guideline

General:

When booking a hotel, you are requested to seek the most cost-effective hotel accommodation. The Traveller is responsible for doing the necessary research before booking to meet the requirements of price effectiveness. In case of more than one person traveling to the same destination, Travelers are requested to stay in the same hotel.

Visit NFM Poland

6.2.2. Travel with clients

If a client/supplier the Traveler intends to visit, has a list of preferred hotels with discounted rates, the Traveler should give that priority, as they will most likely be conveniently situated near the client's/supplier's office.

6.2.3. Traveling to large events

When traveling to larger events such as Milipol, and Eurosatory as a larger group, the Marketing Event Manager, will provide instructions on hotel booking for all NFM travelers.

6.2.4. Lodging Related Expenses

NFM will reimburse lodging expenses at reasonable, single occupancy, and standard rooms. Reimbursable lodging-related expenses include:

- In-room Wi-Fi internet connection
- Parking cost for car
- Laundry and dry-cleaning expenses will be reimbursed for laundering clothes worn while traveling for **trips exceeding 7 days** or **in emergency cases** (i.e. lost luggage / delayed arrival of luggage)
- Early check-in and late check-out charges will be reimbursed if justified.

6.3. Travel Insurance

- All NFM Employees are covered with regular medical insurance for the duration of the business trip, for BU-annexes or contact administration in the specific BU to get insurance coverage information.
- Employees should obtain a copy of the insurance policy and highlight any medical conditions or circumstances that may be exempt from the insurance policy.

6.4. Medical Expenses

If the Traveler is required to travel to a country where vaccines are mandatory, NFM will reimburse for the amount not covered by the Traveler's health care insurance provider, subject to prior approval. If the Traveler is obligated to take a medical test prior/upon arrival NFM will reimburse the amount, subject to prior approval.

6.5. Meals & Beverages

General

Look at your BU annex for legal regulations.

Lunch at own cantinas

All travellers are requested to use NFM Group cantinas when visiting NFM locations in Ski and Leborg.

Tip

The tip should be moderate by the standards of the country you are visiting and must be written on the receipt.

6.5.1. Per diem

Travelers who do not claim a per diem allowance may invoice NFM for food and drink consumed during their trip. For local legal regulations, see annexes.

6.5.2. External Business Meals and Entertainment Expenses

NFM will reimburse the cost of entertaining customers and guests. The Traveller will be required to provide receipts with the name of the customer's company and each of the participating guests written on them. Participants' names and dates can be submitted through the electronic travel approval system.

6.5.3. Alcohol Consumption

The Traveler is expected to use his/her judgment in consuming alcohol in a reasonable way that is appropriate within a business environment. NFM will cover moderate alcohol consumption under social work-related gatherings. When the social gathering is considered done and the host of the social gathering has paid, the other Traveler is responsible for their alcohol expenses. When the traveler is hosting a dinner for a customer on behalf of NFM, the Traveler may consume what is appropriate for the dinner.

6.6. Personal Travel:

Should a Traveller choose to combine a business trip with a private vacation, he/she is required to indicate this in the travel request. The Traveler is responsible for payment of any additional costs resulting from the personal travel. NFM will not prepay any personal expenses to be repaid later.

6.7. Other expenses

Any expenses that are not covered by these guidelines need to be discussed by the Traveler with the direct manager in advance.

Please note that it is prohibited to use corporate credit cards or advance payments for private purposes. Any such attempt will result in a provision to cover NFM's costs of 10% of the used amount with a minimum of 50 Euros.

Annex A, BU Norway
For Employees of Norwegian Companies, additional requirements

General clauses

In Norway, you are requested to provide A RECEIPT FOR EVERY EXPENDITURE.

All Norwegian companies follow the rules that cover actual expenses (expense reimbursement). This means that the company will reimburse costs accrued during the business trip. The employee is obliged to fill out a travel bill within 3 months after their return to have their expenses reimbursed.

Meals & Beverages:

It is NFM's policy to reimburse Travelers for reasonable meal expenses (breakfast, lunch, and dinner) incurred while traveling on approved company business trips. What is deemed reasonable will depend on the destination of travel and circumstances.

All receipts must be itemized and imprinted with the name of the establishment, participants' names, date, and amount of the expense. Participants' names and date can be submitted through the electronic travel approval system.

Web based system: Simployer functionalities:

Travel Management Company:

Delegowany.pl including hotels booking managed by eTravel

In Poland all refund rates regarding expenses that may occur during corporate travels are regulated by Rozporządzenie Ministra Pracy i Polityki Społecznej z dnia 29 stycznia 2013 r. w sprawie należności przysługujących pracownikowi zatrudnionemu w państwowej lub samorządowej jednostce sfery budżetowej z tytułu podróży służbowej (Dz. U. z 2013 poz. 167).

Employees travelling both nationally and internationally are entitled to:

- Subsistence allowance (national travels – costs of meals equivalent; international travels – costs of meals equivalent and an allowance for covering other small expenses)
- Reimbursement of costs of: transportation, public transport, accommodation, any other documented expenses, that were specified or approved by the employer as essential to accommodate travel necessities.

Expenses reporting requirements:

- All expenses should be invoiced
- All bus and train tickets should be invoiced, or when acquiring an invoice is impossible, documented with a receipt including employer's VAT number
- In case of loss of any accounting documents the expenses should be listed in a statement approved by the President of the Board of NFM Poland to be settled

It should be noted that use of corporate credit cards or subsistence allowance for personal expenses is forbidden.

The Traveler should provide the TMC with the cost center for invoicing purposes.

2. Delegowany PL functionalities and policy

The Employees are obliged to use Delegowany system, which allows:

- Registration of a travel order
- Direct Manager initial approval of travel form

- Accounting department authorization
- Bookkeeping process for tickets and accommodation
- Accounting department settlement
- Direct Manager final costs approval

3. Insurance:

Poland-based employees:

- suspecting that their medical condition may not be covered by the policy is required to obtain a health card (EKUZ) from the nearest office of National Health Fund (NFZ).

4. Personal vehicle for business purposes

Poland-based employees will be reimbursed according to: Dz.U. 2007 nr 201 poz. 146

„Rozporządzenie Ministra Transportu z dnia 23 października 2007 r. zmieniające rozporządzenie w sprawie warunków ustalania oraz sposobu dokonywania zwrotu kosztów używania do celów służbowych samochodów osobowych, motocykli i motorowerów niebędących własnością pracodawcy”.

5. Car rental service

It is advised to rent a car using Delegowany system; if not possible, any rental during an international business trip should be invoiced to the employee, not to the NFM – CONDITION FOR THE EMPLOYEES ONLY.

6. Taxi rides

Domestic taxi journeys and means of car transport operating via mobile applications (e.g. Uber) must be documented with an invoice, while trips during foreign travel should be documented at least with a receipt or a bill downloaded in the application.

7. Time and resting

The time of travel is not recognized as a work. Time limits after business trip require assuring to Employee resting time of 11 hours. Managers are requested to define individual daily schedule for the “next day” of work to assure such conditions.

Work in over hours during business trip require prior manager approval.

8. Accommodation

If an employee has not been provided with pre-booked accommodation but also fails to present the invoice for the hotel stay, he/she will be reimbursed as follows:

- in Poland: 150% of your daily per diem
- outside of Poland: 25% of the particular country’s daily hotel limit Such reimbursement can only occur if the hotel stay lasts at least 6 hours between 9pm and 7am.

9. Per Diem allowance

NFM Poland employees are obliged to follow per diem allowance.

Eligibility for per diem allowance when based and travelling in Poland:

a. Business trips of one day:

- under 8 hours – no per diem
- between 8-12 hours – half per diem

- over 12 hours – full per diem
- b. Business trips longer than one day: if on the first and last day of the trip, you are travelling/working for less than 8 hours, per diem for these days will only be calculated as a half day.

a. Eligibility for per diem allowance when based in Poland and traveling abroad:

You will be paid the full per diem for every day of the trip. However, if on the first and last day of the trip, you are travelling/ working for less than 8 hours, per diem for these days will only be calculated as follows:

- under 8 hours – $\frac{1}{3}$ of per diem
- between 8-12 hours – $\frac{1}{2}$ of per diem

The Traveler is responsible for filling in the matrix stating which meal has been organized. Please note that if you have been guaranteed a meal, either by the NFM or by the Business Partner, your per diem allowance will be adjusted as follows:

- if breakfast is guaranteed: 15% of per diem will be deducted
- if lunch (obiad) guaranteed: 30% of per diem will be deducted
- if dinner (kolacja) is guaranteed: 30% of per diem will be deducted
- Internal catering is perceived as meal guaranteed.

It is allowed to spend a maximum of one per diem allowance for each country on meals and drinks per day.

b. Limitation

Per diem, meals and accommodation for the employee's business travel in the amount exceeded an amount specified in the Ordinance are covered by additional income tax (in accordance to art. 21 par. 1 point 16 lit. of Natural persons tax Law).

10. Expenditure refund for business associates

Please note that the Company should return to business associates expenses related to the proper execution of the agreement in accordance with art. 742 of the Civil Code. Rules related to travel needs, their financing or the subsequent settlement of costs between the parties should be indicated in the agreement between the Parties. If not otherwise stated, the limits are equal as the one of employees. The business associates are entitled to receive a diet or food reimbursement costs (one of the two), travel costs reimbursements, local transport commuting, accommodation as well as other necessary expenses properly documented, prior Direct Manager approval.

11. The obligation of the finance department to authorize a business trip

Employees are required to obtain authorization from the finance department in the following cases:

- a. If the number of employees taking part in a given business trip is greater than 3, the Finance Department also reserves the right to obtain justification for the travel of a group of employees from the employees' superiors.
- b. If the individual components of travel costs, i.e. flights and accommodation, exceed the limits set by the NFM Poland management board.

Management Board of NFM Poland sets travel cost limits at least once a year, which, if exceeded, require the consent of the Finance Department. These limits are issued by a Board resolution that comes into effect two weeks after it is announced to employees.

Annex C, BU Germany

General:

All travel bookings are made centrally by Hexonia front desk employees. The front desk employees are responsible for providing information to the travelers, including all required booking documentation.

The travel expense application has to be prepared according to the template "Reisekostenabrechnung" and handed over to the team assistant together with all available receipts. The travel expense report is prepared centrally by the team assistance and handed over to accounting for further procedure and payment.

For additional meal expenses and accommodation costs the valid "Pauschbeträge für Verpflegungsmehraufwendungen und Übernachtungskosten für beruflich und betrieblich veranlasste Auslandsdienstreisen" applies which is yearly update by the German Finance Ministry.

Travel Management Company:

None, the front desk at Hexonia works as a Travel Management Company.

Annex D, BU France

General Clauses

- All employees in BU France have been issued professional work credit cards to cover travel expenses. All receipts must be provided and uploaded to the JeFacture platform. Receipts should be marked with the Traveler's initials.
- In BU France, you are requested to provide a receipt for every expenditure and/or an invoice with VAT.
- BU France does not operate with a per diem allowance; instead, it follows the concept of actual expenses, meaning that the company will reimburse costs accrued during the business trip.

Meals & Beverages

It is NFM's policy to reimburse Travelers for reasonable meal expenses (breakfast, lunch, and dinner) incurred while traveling on approved company business trips. What is deemed reasonable will depend on the destination of travel and circumstances. All meals and beverages are covered by the company while traveling, and these expenses should be paid with the professional work card. Receipts must be submitted to JeFacture after the trip.

Web-Based System

Receipts should be uploaded to JeFacture shortly after the business trip. If there are any particularities, such as divided payments, parts paid with other cards, reimbursements, or other details, the Traveler should add a comment with relevant information to aid in administration and accounting.

Travel Management Company (TMC)

NFM France does not use a Travel Management Company (TMC). All Travelers are responsible for organizing and booking their own travel arrangements in accordance with this policy's guidelines. All travel must be approved by the Traveler's manager before purchasing tickets.

Insurance

All Travelers are insured by the company when traveling. Travelers are encouraged to review the insurance policy to ensure adequate coverage and to consider any additional coverage that may be needed.

Accommodation

Travelers are encouraged to minimize accommodation expenses using "common sense." Whenever possible, the cost per night should be kept below 150 EUR.

Local Transportation and Taxi Use

Common sense is encouraged to keep expenses down. In Paris, for example, public transportation is preferred.

Per Diem Allowance

BU France does not operate with a per diem allowance.

Car Rental

Travelers are encouraged to search through several rental agencies to find the most affordable option possible.

Leasing Cars

Some employees may have company cars at their disposal, with various arrangements in place for gas/kilometer reimbursements. Proper tracking of kilometers used (work vs. off-work time) must be conducted and reported with a "Frais de déplacement" form at the end of each month. In this form, the Traveler reports the number of kilometers travelled for work.

Other Travel Expenses

Smaller expenses, such as tolls and parking meter fees necessary for business travel, are covered but must be supported by receipts.

Approval and Reporting Process

- The Traveler must obtain approval from their closest manager before undertaking any business travel.
- The Traveler is responsible for organizing and booking all travel arrangements in accordance with this document.
- Expenses incurred during the trip should be paid using the company-issued professional work card.
- Invoices and receipts with VAT specifications must be kept for all expenses and uploaded to the JeFacture platform.

Annex E, BU US

Travel Management Company: None, each employee purchases directly.

Travel Insurance: NFM US will provide the necessary travel Insurance for employees traveling internationally.
